

**GLORY** 勤丰化纤  
PROFESSIONAL FIBER MANUFACTURE

## ABOUT GLORY

### Glory is serious about meeting our customers' needs!

Hai'an Glory Fiber Co., Ltd. (GLORY), founded in 2005, is a customer-centric company specialized in the production, researching and sales of polypropylene staple fiber and polyester staple fiber. It locates in Hai'an City, Jiangsu Province, which is 2-hours' drive to Shanghai Port. After years of development, GLORY, with its first-class professional technician force and Total Quality Management system, has taken 35% of the domestic market. We have the most technologically advanced fiber equipment, providing us with unparalleled diversity and customization of fibers.

With over 14 years in the business, GOLRY has become one of top distributors of polyester fiberfill in China. Our fiber, purchased by numerous Asian companies, is used in automobiles, furniture, home furnishings, and medical products.

## PRODUCTION FLOW

## WHY CHOOSE US

### Advanced Production Equipment

We have advanced production equipment, strong technical strength for manufacturing products with good quality and best prices.

### Quality Control

Quality is the first priority of all our products. Glory uses the TQM (Total Quality Management) System throughout our plant. In order to make our products great and competitive, our technicians continue to find better processing methods to make these products better.

### Delivery-to-Door Service

Aside from the FOB China Port service, you also can choose the Delivery-to-Door service. Currently for North America Customers, you can just order at your office, pay when you get all shipping documents, and receive the goods at your door. It's as easy as eBay.
